

Mexx Eyes

Style 5696

The acetate frame model 5996 from Mexx for teens brings the classic square look with a fine eye rim and comfortable spring hinges. As the "little sister" of the successful model 2530 for women, it focuses on a simple but modern style. Perfect for girls who love timeless shapes with a cool twist - a must-have for every day!

Mexx Eyes – Glasses for every day. For real people. For people who live life to the fullest, preferring authenticity to perfection.
